

NYSCAA Membership

As a New York State Community Action Association (NYSCAA) member you will gain knowledge and insight about the fight against poverty from national, state, and local experts.

NYSCAA membership is open to individuals, groups, and organizations that share the objectives of our mission.

Membership Benefits

NYSCAA's membership provides the opportunity to network at conferences and events with people who, like you, are committed to ending poverty.

NYSCAA's advocacy and training will help you strengthen your skills, learn about best practices, and advance the knowledge of our network and community.

If you share our vision, supporting the association will give you the satisfaction of knowing you are making a difference.
